Transferable Skills

Attention to Detail Repair and maintenance of Compressed Air and Self Contained Underwater Breathing Apparati.
Transportation and manual handling of fine art collections through The Art of Dr. Seuss and Harvey Galleries during rotation and exhibitions. Adaptable Transferred essential skillset learning in the Australian Defence Force to applying principles into my tertiary education

Critical Engagement Committed to postgraduate level learning and have grown personal interest in technical knowledge in creative photography Enthusiastic Bringing charismatic energy to my involvement within my industry experiences, community engagement with peers and mentors, and with the curriculum

Diversity An experiential set of social skills to exemplify decorum in a professional environment.

Openness In conduct, attentive listener and a higher gratitude for learning.

Creativity From solo exhibitions in Melbourne, to ambitious environmental "ocean art" installations with coral reef systems in the Pacific, the level of creativity continues to surprise peers and academic staff.

Community Engagement

1st KNOX Car and Art Show 2019 - Co-organiser of roughly 100 vintage collector vehicles and senior curator of over 20 artists including representation of Indigenous and Intellectual/Physical Disabled artists
