

SIMONE ALESICH

Australia

www.simonealesich.com.au

Simone Alesich is a jeweller, and mixed media artist who works in textiles, wood and botanic sculpture, photography and collage. Her jewellery designs use silver and other metals with organic and Australian native plant motifs, as well as bright and playful designs in recycled plastics and polymer clay. She is passionate about sustainability and the intersections of art and wellbeing, and inspired by natural forms as well as Japanese aesthetics.
