

## Curriculum Vitae

### Erica Monaghan

Born Dec 27th, 1996, Australia NSW

Erica Monaghan lives on the Central Coast of New South Wales, Australia. She is currently an emerging artist who focuses on concepts of the spiritual and unusual with a focus on "dark spirituality" from both a positive and neutral perspective. Figurative elements are common within her pieces as well as dark murky colours placed in contrast to bright colours representing the distinction and balance between both darkness and light.
